

Mark Anthony Brewing To Host Hiring Event on Saturday, June 11, 2022; Recruiting For 80 Open Positions

*Opportunity to build a rewarding career with the company that produces
White Claw Hard Seltzer and Mike's Hard Lemonade*

Mark Anthony Brewing is further ramping up production with the hiring of more than 80 team members for its state-of-the-art brewing and production facility. The in-person hiring event will take place on **June 11th, 2022 from 8 am – 12 pm** at its facility located at 9601 N. Reems Rd in Waddell, AZ – crossroads Reems Rd / Olive Rd near the 303. There will be guaranteed on the spot interviews, site tour and information packet for every job seeker that attends.

Mark Anthony Brewing is a family-owned company that puts people first. The new, fully air-conditioned facility, with covered employee parking, promises employees a great working environment, training, room to grow in their career, and a comprehensive employee benefit program that includes medical/dental/vision insurance, a wellness program, 401(k) with company match, paid parental leave, an onsite gyn, and many other benefits.

Those interested in working in a high-energy, fast-paced, team-oriented environment should submit their application online at <http://mabrewing.com> – must be 21 years of age at time of hire.

Open positions come with a comprehensive benefits package, retention bonus up to \$5000, and access to training programs that will make these roles a springboard into a long-term career with the fourth largest brewer in the U.S. This is a unique opportunity to work in a brand new state-of-the-art facility that was purpose-built to keep up with the explosive demand for White Claw Hard Seltzer and Mike's Hard Lemonade.

Mark Anthony Brewing is looking for people with various levels of experience, education and technical skills, from entry-level to highly skilled brewery operations roles. Open positions include:

- Brewing Operator
- Utility Technician
- Quality Lab Technician
- Shipping & Receiving Clerk
- Maintenance Technician
- Packaging Operator

All candidates will have access to on-the-job training and development opportunities as part of the company's commitment to help employees build long-term careers.

About Mark Anthony Brewing

Mark Anthony Brewing provides supply chain management and brewing services for The Mark Anthony Group of Companies, one of North America's fastest-growing beverage companies and the leader in the

explosive Hard Seltzer and Flavored Malt Beverage categories. Mark Anthony Brewing's new facility will produce White Claw Hard Seltzer, Mike's Hard Lemonade, Mike's Harder Lemonade and Cayman Jack Cocktails. The new facility will provide much-needed capacity to keep up with consumer demand in the Southern United States. Warehousing and distribution operations will also be located on-site.
